

Save money on your energy bills!

Find out more at your FREE
community renewable energy event

Sat 27th Aug 2011

Gresford Trust Hall 12noon - 4pm

Refreshments provided

We will be providing practical information to enable individuals and businesses to be better informed on the different types of renewable energy options and financial incentives

A panel of experts will be on hand to:

- Answer questions and provide information

- Offer advice on reducing energy costs

- Explain the feed-in-tariff

- Outline the benefits of installation
